Bunch Family

Dear Sir:

I am trying to trace my family tree but don't know where to send for the information, my mother's family ^{lived} around Terre Haute and Sullivan, Indiana.

I have no idea what year any of them ~~were~~ ^{were} born. My mother was youngest (I think) of 5 children she was born in 1888, her parent could have been born around 1848

I'll send you the information I have, only names not many dates.

If you can help me thanks but if you can't may be you can let me know where I can get the information I need and what the charge is.

Thank you Again

I am enclosing two research reports listing the sources I checked for your ancestors. As you can see, I found few references to Bunches in Vigo county, and the first names were not the same as those mentioned in your letter. I had a little better luck in Greene county. I found some Bunches, many Burches, and some Spelses.

I found a Jesse Bunch from North Carolina who had a son Benjamin born in Tennessee about 1837. I wonder if Jesse was related to James, who was also born in Tennessee?

The 1850 Greene county census lists Joseph and John Spelse, both born in Kentucky. Joseph had 83 year old Joseph Sr. and 72 year old Polly in his household; no doubt they were his parents. Could Mary Ann (Spelts) Bunch have been part of that family?

The every name index to the 1860 Indiana census only lists one Benjamin Burch, and he was in Jesse's household. The index does not list a 50 year old James, a 52 year old Mary, a 15 year old Joseph, an 11 year old Samuel, or a Franklin.

I also found many Bunches and Burches in the W.P.A. indexes to Greene county marriages. Copies are enclosed. I hope you can read them; the index was very faded when it was filmed, and our film is badly scratched. I also found Benjamin in the W.P.A. index to death records but could not get a good copy.

It appears that James and his family left the area since I did not find them in the Vigo or Greene county cemetery records. Benjamin obviously remained, or at least returned, since his children married in Greene county and he died there. Some of the Bunches in the W.P.A. indexes were probably Jesse's descendants.

Thanks for the \$5.00; it was enough for copies and postage with some left for the gift fund. I hope these copies don't raise more questions than they answer.

My g-grf BENJAMINE BUNCH, b 12 Mar 1836 Greene Co., IN; d 6 Jan 1915 Greene Co., IN. Married (6 Aug 1855) Greene Co., IN) Margaret Gobin. He was the son of James Bunch and Mary Ann Spelts born Kentucky. The latter information on his second marriage license (1908 Greene Co., IN).

This is the ONLY James Bunch (or Burch as sometimes found in census) in the Indiana 1850 census with a wife, Mary and a son, Benjamin, (b 1836) in the correct age group. I know nothing about his brothers or sisters. Or whether they stayed in Vigo Co. after they became of age. I don't have access to later Indiana census indexes.

I would appreciate any help you could give me. I realize you and your staff must be very busy. In which case would you have a name and address of a Record Researcher that I might contact?

Enclosed is a sase for your reply and a check (\$5.00) for the cost of any photo copies.

Thank you.
